

Library Seed Exchange

“If you have a garden and a library,
you have everything you need.”

Marcus Tullius Cicero (106 BC–43 BC)

1. Browse and Borrow: Up to five seed packets
2. Sow and Grow: Try growing something new
3. Gather and Repeat: Share seeds you’ve gathered with others

If you are able to gather seeds to share with the library, label envelopes with plant name, growing instructions, germination, etc.

The library has many resources on sustainable gardening, seed saving, cooking, and more—
be sure to check some out!
